

Duncan®
Oh four® BISQUE!

2017 - 2018
DESIGN
Selection Guide

Bisque, Color
& Supplies

Welcome to the world of Duncan®, where form and color merge with the imagination to create magic in every brushstroke! With more than 70 years of experience in the ceramic arts industry, we can tell you about our history of innovative, quality products, but we'd like to show you instead. Throughout this guide, you'll see that Duncan® offers the complete creative solution for your studio with our extensive collection of classic and on-trend bisque designs, easy-to-use color families and all the tools needed for their application. As you turn each page, we invite you to imagine the Duncan® products you see in your hands and in the hands of your family, friends and guests as you create memories to last a lifetime.

LEGEND GUIDE

Safe for use on food containers when properly applied and fired to shelf cone 06.

Nontoxic but not recommended for use on food containers due to cracked or textured surface.

Kiln required

Conforms to ASTM D-4236. Certified to contain no materials in sufficient quantities to be toxic or injurious to humans or to cause acute or chronic health problems.

Duncan®

THE *Duncan* SOLUTION

At Duncan®, we believe our innovation equals your success. That's what we call **The Duncan® Solution** - and it's an approach that makes us unique in the industry.

The Duncan® Solution means we take an end-to-end approach to the ceramics products we create. From bisque to project completion, we offer the superior quality products you need.

How it works:

Choose Your Design

Select from hundreds of trend-driven Duncan® Oh Four® bisque designs from kids to dinnerware to home décor - all created to assure consistent and stable results.

Decorate

Personalize your ceramic art with selections from our enormous variety of Concepts® underglazes - the largest in the industry. Our easy-to-use color chart features light, bright and dark color values available in 2 oz., 8 oz. and pint sizes.

Embellish

Enhance the beauty of your projects with French Dimensions™. Our new improved formula provides you with the best dimensional glaze in the industry.

In addition to the Duncan® Solution, we invite you to view our line of premium products. Our additional product selections add to the studio experience for customers. Choose from Color Burst Crystal Chips™, Shimmer Glazes™, Envision® Glazes and True Matte Pastels™.

Application of products are an essential part of any project. Our brushes & tools assure a successful ceramic art experience from start to finish.

Seal & Beautify

Pure Brilliance[®] clear glazes deliver unmatched innovation. It is craze resistant, easy to use, dries stable and has a fast dry time. It is truly the first high performance, nontoxic clear glaze in the industry.
