# Characteristics

## MIX COLOURS EASILY

Available in 11 colours, neon and glow in the dark. Colours mix and combine with ease. The clay that mixes effortlessly!

## GLUTEN FREE NON-ALLERGIC

JumpingClay contains no gluten. All JumpingClay products are non-toxic, non-allergic and gluten free.

## ECO-FRIENDLY BIODEGRADABLE

Biodegradable and eco-friendly. Kind to the environment and kind to little ones. Produced in Portugal, it is non-toxic and certified for use for children from 3 years old.

## JASMIN SCENTED

JumpingClay is Jasmin scented. A soft, light and stretchy clay that releases a pleasant natural aroma when in use.

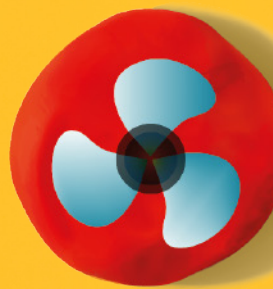

## MESS FREE CLEAN

JumpingClay is a mess free clay that does not stain so children can play without worries. It leaves no dirt on surfaces, fabrics and carpets!

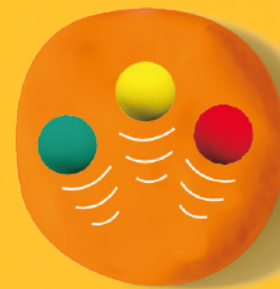

## ANTIBACTERIAL NON-TOXIC

JumpingClay contains antibacterial properties that incorporates nano-silver technology - acting as a gentle disinfecting agent when in use!

## AIR DRIES NATURALLY

JumpingClay takes 24 hours to air dry so you can create and play with your toy after drying. Imagination is the limit.

## SOFT AND LIGHT IT BOUNCES!

Our air dry modelling clay is a unique product. It is very light, soft and easy to model! It's elastic when in use and when it dries out it bounces!
