

Bullseye Tie-Dye Technique

Probably the most recognized tie-dye technique and the easiest! Just pinch your fabric into a tube and add rubber bands to your heart's content.

Step 1:

Pinch fabric at the centre of where your bullseye will be. Pull upward into a cone shape, guiding the fabric with other hand.

Step 2:

Wrap a rubber band 1 to 2 inches below tip of fabric, then continue binding fabric with desired amount of rubber bands.

Step 3:

Apply desired dye colours to sections of fabric.
